Welcome to {{BUSINESS\_NAME}} Rewards.

## Three steps. About a minute.

Or visit: [{{SIGNUP\\_URL}}](https://{{SIGNUP_URL}})

1. Scan the code above with your phone camera.
2. Add your credit or debit card. (We never see your card number — a secure service called Fidel handles that.)
3. Pay like always.

That's it. Every time you pay with that card at any of our locations, you earn rewards automatically. We'll notify your phone when you've earned one.

**Don't have a card to link?** Some of our locations also let you sign up with just your phone number — we'll credit your visits when you pay in cash. Ask your server.

## A few quick answers

**Is this free?** Yes. No fee, no membership.

**Do you store my card number?** No. Fidel does — the same service Visa, Mastercard, and Amex trust to watch transactions.

**What if I want to stop getting emails?** Turn them off in your profile any time. You'll still get receipts.

**Can I delete my account?** Yes, right from the app. Profile → Your privacy rights.
